READING AND VOCABULARY

BOOKS:

READING TEXTS:

O'Connell S., Focus on Ielts. Longman

O'Driscoll J., Britain The Country and its people; an introduction for learners of English. Oxford University Press.

VOCABULARY:

Gough C. English Vocabulary Organiser. LTP.

The course is aimed at improving reading skills and intended to help consolidate and expand lexical areas with the use of relevant learning strategies. Students are advised to read as much as possible outside the classroom and to work constantly on building up their vocabulary. The topics listed below will be covered during the course and tested in the written exam. Many of the vocabulary and reading units will be assigned for self-study.

Students are also expected to produce four written (typed) or oral (on cassette) summaries based on the cultural topics presented in the adopted text "Britain."
